EDUCATION

University of Oxford

2013 - 2017

● *DPhil in Psychiatry*

Thesis: "Violence in severe mental illness: Risk factors, risk assessment, and prevention"

University of York

2010 - 2011

● *MSc in Health Sciences*

Project: "Predictive factors of individual changes in problem drinking in brief interventions"

2007 - 2010

● *BA in Philosophy, Politics, and Economics*

Focus on Health Economics and Quantitative Research Methods

WORK EXPERIENCE

Department of Psychiatry

University of Oxford

2012 - Present

● *Research Assistant*

Wellcome Trust funded project investigating associations between severe mental illness and violent crime using Swedish national population registers.

FEMME study

University of Oxford

Oct-Dec 2011

● *Intern and Coordinator*

Trial coordinator for the Oxford site of the multi-centre FEMME study (uterine artery embolisation vs. myomectomy for uterine fibroids).

Department of Health Sciences

University of York

April 2011

● *Research Assistant*

Co-wrote an internal methodological paper on cluster-RCT analysis with Dr Mona Kanaan.

Social Policy and Social Work

University of York

April 2009

● *Research Assistant*

Worked with Prof Jonathan Bradshaw to conduct data analyses on repeat abortions in the UK. Wrote a critical appraisal of the Save the Children 'Child Development Index'.

L&R Social Research

Vienna

August 2008

● *Research Intern*

Project on Austrian apprentices and their career prospects. Performed qualitative interviews with former apprentices.

Centre for Secure Tenancy

Vienna

August 2007

● *Intern*

Conducted surveys and interviews with tenants. Provided legal and social care information, and translations of charity documents.
